

Both stewards and members are considered part of the Stewardship Program.

**But what is the difference between a Steward and a Member?
And Who qualifies to be a young adult member?**

Stewards are members who contribute to the church over and beyond the standard membership dues of \$150.00 per person.

Members are those who pay the standard membership dues of \$150.00. Both stewards and members are considered part of the Stewardship Program. **Only \$55.00 of the \$150.00 standard membership dues goes to Holy Trinity Church** to cover basic operating expenses while \$95.00 goes to the Diocese for each member's church assessment.

Our **Young Adult Member** category is for those ages 18 to 24 years old with membership dues of \$25.00. If you are between the ages of 18 to 24, help support and be a part of your church by becoming a member for \$25.00. If you are a parent of a young adult(s) between the ages of 18 to 24, encourage your child(ren) to become a member; call or email for additional pledge cards.

Who should be included in my Pledge?

Each member of the family, age 18 and over, should complete a Pledge Card. Married couples may complete a single Pledge Card, but each individual is considered to be a steward or member of the church.

Did you know that . . .

you can be a member for less than \$3 per person per week? Anything over \$3 per person per week makes you a steward.
