Program Theme:

"Celebrating the Seasons of the Armenian Church"

"To everything there is a season,
A time for every purpose under heaven."
Ecclesiastes 3:1

Have you ever wondered why we celebrate Christmas on January 6th? Or why we bless water, grapes and basil? Have you ever thought about why we make crosses out of palms, or why Easter is celebrated at a different time each year? Why do we color eggs at Easter, or exchange gifts at Christmas? What are the special holidays of the Church? What is the difference between a Major Feast and a Minor one? Is there a difference between the Church seasons and the seasons of the year?

This summer at *Trinity Kids' Place*, these and many other thought-provoking questions will be explored as we **Celebrate the Seasons of the Armenian Church**. Participants will learn about the unique traditions of the Church's seasonal feasts and special holidays through lessons, activities, and stories.

The program encourages children to explore and grow in their faith while building strong friendships with other Church children and adults in a beautiful natural setting.

ENRICHMENT PROGRAM

An enrichment program is offered for **children ages 8 and 9**, actively engaging older participants with developmentally-appropriate activities and lessons.

We hope your child will join the *Trinity Kids' Place* family this summer.
