

The Pastor and Parish Council have been working diligently to reduce our energy costs for heat, electricity, and hot water for the Church, Halls, Parish House and Shahe Hall.

Working with NSTAR and implementing the energy audit recommendations, we will realize an estimated annual savings of \$5,200. More importantly, we can help control and minimize increases in future energy costs and help Holy Trinity Church become a better steward of our environment.

Holy Trinity Armenian Apostolic Church of Greater Boston  
Fr. Vasken A. Kouzoulian, Pastor

# The 108 Campaign

HELPING HOLY TRINITY CHURCH

***REDUCE OUR ENERGY COSTS  
AND BEGIN TO "GO GREEN"***

# 108 . . . That's the number . . .

## FOR 2013 . . .

OUR ACTUAL ELECTRIC EXPENSE TOTALED \$25,924.

## FOR 2014 . . .

OUR BUDGETED ELECTRIC EXPENSE IS \$25,000.

## IN 2015 . . .

OUR ANTICIPATED BUDGETED ELECTRIC EXPENSE  
WILL BE \$19,800.

*AS A RESULT OF THE AUDIT, WE WILL SAVE  
AN ESTIMATED \$5,200 ANNUALLY IN OUR ELECTRIC COSTS.*

But it will take \$108 a day over the next six months to absorb the one-time \$20,000 audit expense and implementation of recommendations intended to control our energy costs and help us "Go Green."

In 2010 and 2012, we ran successful campaigns thanks to your generosity.

We ask you to please support this 2014 endeavor.

Thank you.

- The Pastor and the Parish Council

Watch for a poster showing our progress that will be displayed in Johnson Hall.

Yes, I/we would like to support this endeavor.
